

# COMPANY PROFILE

**MARIE GROUP**

<https://mariegrp.com>

# Group portfolio

Established in 1955, Marie Group began as Talat Marie & Sons Co., specializing in cigarette distribution. Over the decades, the group expanded its business portfolio, branching out into manufacturing, trading, and commercial sectors. The group now includes:

- A) Talat Marie & Sons Company (TMSC)
- B) Eastern Tombac & Tobacco Establishment (ETTE)
- C) Eastern Tobacco & Cigarettes Company (ETCC)
- D) International Corporation for Manufacturing of Veterinary Medicine

# Talat Marie & Sons Co. (TMSC)

**TMSC was established in 1955 and its core business is distribution of cigarettes, tobacco and all smoking needs. The company consists of three main departments:**

- 1) Commercial department**
- 2) Marketing and Promotion department**
- 3) Support Services department**

**The Commercial Department operates across three distinct divisions:**

**Domestic Cigarette Distribution:**  
**TMSC manages the distribution of locally manufactured cigarettes for the domestic market, representing globally renowned brands such as Philip Morris, BAT, and JTI. TMSC is recognized as the second-largest cigarette distributor in Jordan.**

# Talat Marie & Sons Co. (TMSC)

## Water Pipe (Shisha) and Accessories:

**TMSC specializes in importing, assembling, designing, distributing, and re-exporting water pipes (shisha) and related accessories. As the largest company in Jordan and the region in this sector, TMSC meets approximately 90% of Jordanian market demands and is a significant exporter of these products to numerous countries worldwide.**

# Talat Marie & Sons Co. (TMSC)

## Imported Tobacco and Accessories:

TMSC oversees the distribution of a diverse range of imported tobacco products and accessories, including cigars, lighters, roll-your-own tobacco, pipe tobacco, tobacco accessories, and charcoal under its exclusive brand, *Al-Afandi*. In this field, TMSC is the leading company in Jordan. Additionally, TMSC represents several prominent international brands, including:

- Al-Fakher
- Scandinavian Tobacco Group (STG)
- Swedish Match – North America/USA (General Cigars)
- S.A Republic Technology France – Cricket Lighters (Holland)
- Tab Clara Cigar – Spain Swisher
- Arnold Andre Cigar Company – Germany

# Talat Marie & Sons Co. (TMSC)

TMSC operates an extensive distribution network, managing a fleet of 65 vans that service over 9,000 selling points across Amman and other major cities in Jordan. The company handles approximately 55% of all points of sale (POS) and more than 80% of the primary POS in the country

## Promotion and Marketing Department:

This department oversees all activities related to advertising, merchandising, and designing marketing materials such as leaflets and social media promotions. It ensures effective promotion and visibility for TMSC's wide range of products.

# Talat Marie & Sons Co. (TMSC)

## Support Services Department:

The support services team manages critical operational functions, including:

- Finance
- Administration
- Human Resources (HR)
- Information Technology (IT)
- Logistics and Transportation
- Maintenance
- Government Relations
- Public Relations (PR)

Eastern Tombac & Tobacco Est.

# Eastern Tombac & Tobacco Est. (ETTE)

Established in 1981, ETTE is a leading producer and exporter of tobacco products, with the exception of cigarettes. The company specializes in the production of shisha tobacco and owns the renowned brand Al-Sultan. In addition to Al-Sultan, ETTE produces other well-known brands, including Afandi, Flame, Luxor, Crystal, and Arabica.

Currently, ETTE exports its products to more than 60 countries across Europe, North America, the Middle East, Latin America, and Africa, solidifying its position as a key player in the global tobacco industry.

Eastern Tobacco & Cigarettes Co.

## Eastern Tobacco & Cigarettes Company (ETCC)

ETCC is one of the largest cigarette producers in Jordan, leveraging extensive manufacturing expertise gained from serving as the sole manufacturer for a leading international tobacco brand in the country. The company adheres to the highest international specifications for all its production activities, positioning itself as the third-largest cigarette manufacturer in Jordan.

ETCC produces its own tobacco brands, Marseille, Centro, Moscow, Sanrock, Novo, and Ellington cigarettes, and also provides manufacturing services for third parties. The factory is designed with flexibility to accommodate the needs of brand owners, enabling ETCC to develop and produce third-party products in full compliance with their specific standards and requirements.
